**JOURNAL
OF
THE
SENATE

2010 REGULAR SESSION**

WEDNESDAY, JANUARY 13, 2010

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

Dr. Mark Becton, Grove Avenue Baptist Church, Richmond, Virginia, offered the following prayer:

Dear Heavenly Father,

I pray for these senators, as they serve and make decisions in a difficult press. Lord, they feel the press of their responsibility to serve the people and they feel pressed by their accountability unto You. In this press, though, You have given them promises. May they claim Your promises for wisdom, discernment, strength, and patience. And, may You care for their families as they care for the families of this Commonwealth.

Father, You have also given them an example in how to serve. You came as Jesus Christ and You served in the fullness of grace and truth. May they do the same. May their decisions of grace never take away from Your truth and their decisions of truth never take away from Your grace.

In Jesus' name I pray,

Amen.

Rabbi Gilah Dror, Rodef Sholom Temple, Hampton, Virginia, offered the following prayer:

Creator of the universe, source of all inspiration and hope, we are mindful of our many blessings, and of our responsibility to help others, as we hear of the tremendous suffering, and of the rescue efforts, taking place in Haiti.

We ask Your blessings for our country, for the Commonwealth of Virginia, for our leaders and advisors, and for all who exercise just and rightful authority.

Teach us Your insights, that we may administer all affairs of state fairly, that peace and security, happiness and prosperity, justice and freedom may forever abide in our midst.

Grant us health of body and serenity of spirit.

Bless us with wisdom, vigor, and understanding.

As a song may lift us up from the place we are, to the place we want to be, let Your song lift us up and remind us of the sacred nature of the calling to lead a people in the ways of justice.

Open our hearts to recognize the gift of diversity within our communities.

Let our words, and deeds, reverberate with power and with promise, as we strive to attain, that which ought to be.

May citizens of all races and creeds forge a common bond in true harmony to banish all hatred and bigotry and to safeguard the ideals and free institutions, which are the pride and glory of our country.

May our labors be infused with Your Spirit, and may this land, and this Commonwealth, under Your providence, be an influence for good throughout the world, uniting all people in peace and freedom.

And let us say: Amen.

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Terre Balof, Unitarian Universalist Community Church, Glen Allen, Virginia, offered the following prayer:

Loving Creator,

Who is known by many names and whose Spirit flows through all people, all faiths, all nations, we are grateful for Your presence here. We ask that Your wisdom guide the essential decision-making that takes place within these walls. May the men and women elected to the General Assembly and who serve in the Senate, keep the welfare of all the citizens of our great Commonwealth as their highest priority. Let humility and dedication guide their commitment to the tasks set before them to serve the common good.

Aware of the difficulties and stresses within our society, may these public servants seek to build bridges between groups and constituencies to accomplish the work needed to protect the welfare of and to provide a brighter future for all Virginia's citizens.

Today we are mindful of the inauguration of our new governor, Bob McDonnell, and other officials who take office this weekend. May our governor guide with openness, humility and wisdom, honoring the many needs of the people of Virginia.

We give thanks for the generous years of service offered by our retiring governor, Tim Kaine, and all those who served faithfully with him. We trust this new administration will build upon the dedicated service of those who have gone before. We give thanks for all those who choose to follow the call to public service.

We hold up the legacy of citizens who have given generously to build Virginia from the mountains in the west to the Atlantic shore. We are aware that this great Commonwealth was built on the foundation of native peoples who held this land as Sacred. And we give thanks for those who generation after generation have built this Commonwealth through work as humble as cleaning these chambers or plowing the earth and work as creative as those who are great inventors and those who nurture the next generation. May our officials as they work be mindful of the sacrifices for and love of our great Commonwealth which is held in the hearts of all Virginia's people.

Amen.

Help us to just take each step of this journey with a deep sense of gratitude. When the burdens become heavy, lighten those burdens for our Governor-elect; for Bob and for Maureen. ¹ O LORD, our Lord,
how majestic is your name in all the earth!

You have set your glory
above the heavens.

² From the lips of children and infants
you have ordained praise
because of your enemies,
to silence the foe and the avenger.

³ When I consider your heavens,
the work of your fingers,
the moon and the stars,
which you have set in place,

⁴ what is man that you are mindful of him,
the son of man that you care for him?

⁵ You made him a little lower than the heavenly beings
and crowned him with glory and honor.

⁶ You made him ruler over the works of your hands;
you put everything under his feet:

⁷ all flocks and herds,
and the beasts of the field,

⁸ the birds of the air,
and the fish of the sea,
all that swim the paths of the seas.

⁹ O LORD, our Lord,
how majestic is your name in all the earth!

Father, we thank you for validating your choice through our democratic system. For your word declares that You personally raise up leaders and You remove them as well. With great joy we ask for your blessings upon all the citizens of our great Commonwealth and our great nation. We stop to pray for the people of Haiti and ask that in spite of our own economic challenges, our nation and our Commonwealth will rise to greatness and assist our friends in that hurting country.

Father, I pray for our Governor, Bob McDonnell. I pray that You will give him your heart, your mind, your strength and compassion that he may lead us in your way. Use our Governor to facilitate new opportunities for all of our citizens and to bring hope to the hurting, struggling, and to those who are doing well. May he rise up in the spirit of great Governors before him: Jefferson and Gilmore and Governor Kaine. We pray for your blessings upon his wife, Maureen, and his sons and daughters. May your peace surround him and all of us, your people. Today by faith, we boldly declare that there are better days ahead for the Commonwealth of Virginia; days of prosperity and peace and strong families and a bright future. May your will be done on earth in this State as it is done in heaven.

Thank you for your life and love. Thank you for our new leader. Thank you for uniting our Commonwealth for the common good of all of Virginia.

Amen.

MONDAY, JANUARY 18, 2010

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend J. Kim Steinhorst, Clarksville Presbyterian Church, Clarksville, Virginia, offered the following prayer:

Mr. President, members of the Senate, distinguished visitors, and guests, we gather at this moment to invoke a higher power to assist in the work done this day. With humility and honest self-reflection, for those who wish, please join me in prayer.

Wise and wonder-filled Creator of the universe, we are in awe at the majesty of this great Commonwealth, its mountains and lakes, its forests and streams, its bays and beaches. Yet, we know that geography is more than land mass, it includes people too. We are mindful that just as there is diversity in terrain, there is diversity among the peoples of this state—economic diversity, social diversity, racial diversity, even religious diversity. For we are farmers and shopkeepers, bankers and manufacturers, doctors and nurses, teachers and students, mothers and fathers, brothers and sisters who seek to live at peace, who seek life, liberty, and the pursuit of happiness.

We ask for blessings on the new administration of Governor McDonnell and Lieutenant Governor Bolling. We ask for blessings upon this august body. From the antecedents of this chamber came the men and women who fought for freedom, who stood with courage against oppression, who sacrificed for the common good of Virginia citizens. So, we ask for blessings upon each Senator; for the work that each does; for the committees on which he or she serves; for the decisions made as individuals, as representative of his or her district; and as a collective legislative body.

Give guidance to every woman and man serving here today. Give strength and courage to face hard choices. Give mercy and grace to seek justice, to love in kindness, and to walk together humbly. Let Your kind and gentle Spirit be present, not just at this moment, not just for this day, but all the days of our lives. Make manifest in us the vision of a better Commonwealth, a better nation, a better world.

So, let Your higher purpose be visible, O God, in the discussions, the motions, the votes taken within these walls. And, let us be servants of one another, helping build the peaceable kingdom to which all people seek and yearn.

We pray this by the power of the Name that is above all other names.

Amen.

The roll was called and the following Senators answered to their names:

Barker, Blevins, Colgan, Deeds, Edwards, Hanger, Herring, Houck, Howell, Hurt, Locke, Lucas, Marsden, Marsh, Martin, McDougale, McEachin, McWaters, Miller, J.C., Miller, Y.B., Newman, Northam, Obenshain, Petersen, Puckett, Puller, Quayle, Ruff, Saslaw, Smith, Stosch, Stuart, Ticer, Vogel, Wagner, Watkins, Whipple.

TUESDAY, JANUARY 19, 2010

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Pat Fiordelise, Kingsland Baptist Church, Richmond, Virginia, offered the following prayer:

Let us pray.

God, our Father, we praise You and we thank You for Your tremendous grace and mercy and love in our lives. We thank You for our nation, a nation that You have shined Your face upon and given us the blessings of freedom. Lord, I thank You for my friends and these wonderful men and women who lead in Virginia, in this room.

Lord, I pray that You would bless our Senators with wisdom. I pray dear God that You would protect them and their families. I pray that You will provide for them. I pray that You will give them divine wisdom and guidance as they craft laws and develop legislation. Lord, I pray that You would provide for our state. Lord, we need You, and we ask that You would take us through another year. Lord, we lift up our citizens who are unemployed, homeless, needy, hurting. Lord, I pray that You would provide for them, that You would help us to go out of our way to help them; to reach out to them, especially those who are less fortunate.

Lord, we know that You told us in Your word, "If my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways then I will hear from heaven and will forgive their sin and will heal their land." And Lord God, I pray that that is what our nation would do. I pray that that is what the citizens of the state of Virginia would do; that we would humble ourselves, and we would repent. I pray for morality in our state. Lord, I pray for godly men and women to stand up for the cause of life and truth, and Lord, I do also pray for our military men and women, our first responders, our teachers, our public servants, especially these ones that are assembled in this room. Lord, I pray that You would bless them. I pray that You would help them, and Lord, we lift up our children. We lift up our youth, that next generation of leaders in this state. And we pray that You would bring up another crop, another generation of leaders who will stand for truth, stand for justice. And Lord, today we especially pray for our friends in Haiti. Lord, we pray that You would ease their suffering, that You would comfort them in their time of pain, and that our nation would do everything that we can to provide comfort and relief to those dear souls. And I pray that You would bless this meeting today. Thank you for all of Your blessings. Thank You for Your goodness in our lives.

We pray these things in the name of Jesus Christ my Lord and Savior.

Amen.

The Reverend Kathy Gochenour, Wesley Memorial United Methodist Church, Martinsville, Virginia, offered the following prayer:

Almighty God, our Creator and Sustainer,

You brought light into darkness and order in the midst of chaos. We remember the people of Haiti and ask You to sustain them along with all who work on their behalf. As a new year begins, we know that our human and economic resources are limited. Give us wisdom to use them wisely. We offer to You our time, our talents, and the work in this Senate on behalf of this Commonwealth. Grant strength for the journey, and clarity of communication with one another that all may envision a hopeful future. Help us hear Your voice in the diverse voices around us, feel Your love in the midst of constant demands, find Your mercy when we reach our limits. On this day we remember that You choose to journey with us as we journey together. We thank You for Your sustaining presence and steadfast love. Amen.

THURSDAY, JANUARY 21, 2010

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Dr. LeRoy Hill, Jr., Ebenezer Baptist Church, Portsmouth, Virginia, offered the following prayer:

Oh Lord, our Lord, how excellent in Your name and all the earth.

God, we are grateful for this privilege and this opportunity as we have gathered together to invoke Your presence in this place. As these Your people have come together to do business on behalf of this fine Commonwealth. And, so first of all, we pray Your blessings upon them. Bless their lives and their families that there may be peace and prosperity as they represent the constituents that they serve who have confidence in their leadership.

I pray Your blessings in this place as they do business on behalf of the state of Virginia; this Commonwealth, that You so finely established years ago; that they will represent those who are there who believe in them. That they will execute it with such a judgment and a righteousness that it will exalt the nation. I pray that You would give them the mindset and the hearts of compassion to reflect those whom they serve. Remind us of all those blessings that You have given to this nation, even in the midst of chaos all around us.

Lord God, I pray that You would bless them in their going and their coming; that the decisions that they make will be a benefit to those around them. That they will guide us and direct us in the way that will please You. We are reminded of Your word that righteousness exalts the nation. And, so I pray Your blessings on each one individually and bless this Senate collectively.

Almighty God

We thank You for Your gift of yet another day; for we know that life is brief and that none of us is guaranteed the next hour. We are charged with a sacred trust: representing the interests of those who sent us here. Therefore, we ask for guidance to know the right path, perseverance to walk that path, and the wisdom to understand that the destination to which we travel is mercy, justice and the common good. Protect us with Your love, we pray. Amen.

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend J. Beth Goss, Church of the Covenant, Arlington, Virginia, offered the following prayer:

I offer this prayer in the tradition of the followers of Jesus, who was called the Christ. I invite you to participate from the perspective of your own tradition, however you wish to do so, as many traditions who are gathered here.

O God, show us Your way. We gathered here to do much work, to choose among many competing interests, to peer through the data, and listen to the interpreters of data. By Your grace we must peer through the foggy confusion and glimpse the light glimmering far ahead. Help us choose the right path and head toward the light. But even wisdom alone will not necessarily make the path easy. Help us to rely on the strength that You offer when we choose the way to Your light.

(Adapted from "Leadership Prayers," by Richard Kriegbaum.)

The best we can offer You, O God, is the excellence of our work here. But You are perfect, and our best is still shabby next to Your work. We cannot earn Your blessing on our work, or on the Commonwealth, no matter how good our work is. Still, we long to present our best, gifts of love offered to the people and to You, and we desire Your blessing.

What we are doing is important to many, but human praise can fool us. Oh, God, do not abandon us to live on human praise alone, and miss Your blessing. Help us to know the difference between human success and Your blessing.

What matters is that what we are doing really matters to You, that we are listening for Your direction, that we are moving in that direction, and moving in a way that pleases Your holiness. Make us into the leaders that this Commonwealth needs. Do not let anything we do disrupt the flow of Your blessing to people we serve. Amen.

The roll was called and the following Senators answered to their names:

Barker, Colgan, Deeds, Edwards, Hanger, Herring, Houck, Howell, Hurt, Locke, Lucas, Marsden, Marsh, Martin, McDougle, McEachin, McWaters, Miller, J.C., Miller, Y.B., Newman, Norment, Northam, Obenshain, Petersen, Puckett, Puller, Reynolds, Ruff, Saslaw, Smith, Stosch, Stuart, Ticer, Vogel, Wagner, Watkins, Whipple.

WEDNESDAY, JANUARY 27, 2010

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Gerry Creedon, St. Charles Borromeo Catholic Church, Arlington, Virginia, offered the following prayer:

Blessed are those who hunger and thirst for justice and righteousness.

We lift up our eyes to the God of compassion and justice from whence comes our strength.

We seek compassion in all of our deliberations. We have witnessed the outpouring of generosity to our neighbors in Haiti in their time of distress. May that same compassionate spirit also guide our actions on behalf of our neighbors here at home.

We are aware from the crisis in our economy how the sin of greed can bring pain and destruction. May we be mindful that a generous spirit is needed if we are to reconstruct an economy here in Virginia that will serve all and exclude none. We know that the moral measure of our institutions is how they care for the most vulnerable among us. Let their need be our first concern.

May the spirit of love lead us to a new dominion of justice in the Old Dominion, as we serve the common good and the Commonwealth.

Amen.

THURSDAY, JANUARY 28, 2010

The Senate met at 12 m. and was called to order by the President pro tempore, Senator Charles J. Colgan.

The Reverend Mark Morrow, Cross Walk Community Church, Williamsburg, Virginia, offered the following prayer:

Almighty God, we pause at the outset of this meeting to acknowledge You. You are holy and worthy of the highest honor. And since there is no governing authority except that which You have established, we are reminded that we are simply Your servants carrying out Your will.

We are so grateful for the privilege of living in this Commonwealth - a land of unequalled opportunity - a prosperous state that has inherited many blessings from our forefathers. May we continue their great legacy conscientiously and with all due diligence.

May good will dominate the air in this historic chamber as we seek to solve the perplexing issues that face the beautiful people within the borders of this state. And may we never indulge in the delusion that our greatness and our prosperity is of our own ingenuity. For we readily admit that whatever power has been granted us, it has only come by Your loving mercy, amazing grace, and generous provision.

Now I ask that You bestow upon each and every Senator of this legislative session the wisdom to lead us with integrity, the strength to lead us with humility, and the courage to lead us with meekness so that we may live peaceful and quiet lives. Bless each one of these Senators for their sacrificial service to their constituents. And give an extra measure of grace to their precious families back home.

I respectfully submit this prayer in Your name. Amen.

The Spirit of the Lord is upon me,

Because He has anointed us to bring good news to the poor.

He has sent me to proclaim release to the captives

And recovery of sight to the blind and to let the oppressed go free. (from Isaiah 61)

Creator God, may Your vision of such a life-giving mission inspire and guide the public service of these women and men.

May Your Spirit anoint them with strength for their work and goodwill in their doing it.

Almighty God,

We give You thanks for the gift of this day and the opportunity to serve the common good. We humbly ask that we may always prove ourselves to be a people mindful of Your favor and glad to serve You. Bless our land with honorable industry, sound learning, and a gentle concern for each other. Save us from violence, discord, and confusion, from pride, arrogance, and every evil way. Defend our liberties and fashion us into one united people. We ask especially this day that You grant to these Senators of the General Assembly of the Commonwealth of Virginia, the wisdom and strength to know and to do Your will. Fill them with the love of truth and righteousness and make them ever mindful of their calling to serve Your people with Your compassion and grace.

And even as we pray for our Commonwealth, we are mindful of the great needs of our sisters and brothers around the world. We remember before You the people of Haiti and all who suffer. Help us to help them as best we can.

We also remember today all those whom we know to be sick or troubled in mind, body, or spirit. We ask that You be with them, lift them up, and encourage them.

We pray this in Your name; the One who creates, redeems, and sanctifies the lives we share. Amen.

Almighty God,

We have seen the news this morning. On this wintry day, the groundhog has seen his shadow, predicting six more weeks of winter.

As we zip up our coats and prepare to face tough times, grant us endurance.

Help us to lace up the boots of our resolve to help Virginians walk through these difficult days.

Help us to put on the hat of compassion so that we would understand the needs of our people.

At the same time, grant us hearts of courage to make tough choices.

Through a bipartisan spirit of cooperation, help us strengthen relationships that would break through the ice of stalemate and open up a fresh flow of ideas that would benefit all Virginians.

We thank You for the privilege of public service and ask Your blessings upon this gathered assembly. Bless every person who is working at the Capitol today on behalf of the Commonwealth.

We pray this prayer in Your holy name. Amen.

I invite you into a time of silence and ask that we be still and know God's presence in our midst.

O God of compassion, God of mercy, and God of love,
we commend to Your unending care this Commonwealth of Virginia.
Bless our people,
strengthen our leaders,
and inspire us to seek after Your justice.

Guide the women and men who have been called to serve in this Senate
Keep them from arrogance and corruption,
From pride and self-service.
From blindness and hardness of heart.

In all that they do, grant them
Courage and Strength
Wisdom and Humility
Insight and Imagination
Compassion and Civility.

Guide them to discern what is right and just
And then give them the will to accomplish it.

Pour upon them the abundance of Your grace,
Unite them in common work
Give them a common purpose
Help them to serve the common good.

We ask this in Your most holy Name. Amen.

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Michael Robinson, New Covenant Baptist Church, Richmond, Virginia, offered the following prayer:

Mighty Father and Sustaining Lord,

We gather this day in Your presence to exercise the stewardship of time and talents, resources and relationships in honor of Your holy Name and Your righteous purposes. Accept our invitation, we pray, to be present in these chambers to guide the hearts and minds of those who serve the people of Virginia. May their deliberations be salted with thoughtfulness and wisdom that seeks the greatest good.

Thank You for those who govern our nation in Washington as well as those gathered in these hallowed halls of our great Commonwealth. For their willingness and desire to serve faithfully and with integrity, we are eternally grateful. Spread Your protective wings over each member of our government, both local and distant, and upon each guest present here today.

Throughout this day watch over those who bear arms for the safe keeping of our dear freedoms. Thwart on our behalf the efforts of those who seek to oppress the weak and vulnerable and who desire to plant fear through acts of terror in the hearts and thoughts of those whose ideals and objectives are not their own.

At last keep us ever safe and strong as a nation and may we be so governed that we remain a beacon of hope to a watching and increasingly anxious world.

In the Name of our Lord, we pray.

Amen.

No other or greater amount of tax or revenues shall, at any time, be levied than may be required for the necessary expenses of the government, or to pay the indebtedness of the Commonwealth.

The General Assembly shall establish the Revenue Stabilization Fund. The Fund shall consist of an amount not to exceed ~~ten~~ fifteen percent of the Commonwealth's average annual tax revenues derived from taxes on income and retail sales as certified by the Auditor of Public Accounts for the three fiscal years immediately preceding. The Auditor of Public Accounts shall compute the ~~ten~~ fifteen percent limitation of such fund annually and report to the General Assembly not later than the first day of December. "Certified tax revenues" means the Commonwealth's annual tax revenues derived from taxes on income and retail sales as certified by the Auditor of Public Accounts.

The General Assembly shall make deposits to the Fund to equal at least fifty percent of the product of the certified tax revenues collected in the most recently ended fiscal year times the difference between the annual percentage increase in the certified tax revenues collected for the most recently ended fiscal year and the average annual percentage increase in the certified tax revenues collected in the six fiscal years immediately preceding the most recently ended fiscal year. However, growth in certified tax revenues, which is the result of either increases in tax rates on income or retail sales or the repeal of exemptions therefrom, may be excluded, in whole or in part, from the computation immediately preceding for a period of time not to exceed six calendar years from the calendar year in which such tax rate increase or exemption repeal was effective. Additional appropriations may be made at any time so long as the ~~ten~~ fifteen percent limitation established herein is not exceeded. All interest earned on the Fund shall be part thereof; however, if the Fund's balance exceeds the limitation, the amount in excess of the limitation shall be paid into the general fund after appropriation by the General Assembly.

The General Assembly may appropriate an amount for transfer from the Fund to compensate for no more than one-half of the difference between the total general fund revenues appropriated and a revised general fund revenue forecast presented to the General Assembly prior to or during a subsequent regular or special legislative session. However, no transfer shall be made unless the general fund revenues appropriated exceed such revised general fund revenue forecast by more than two percent of certified tax revenues collected in the most recently ended fiscal year. Furthermore, no appropriation or transfer from such fund in any fiscal year shall exceed more than one-half of the balance of the Revenue Stabilization Fund. The General Assembly may enact such laws as may be necessary and appropriate to implement the Fund.

Senator A. Donald McEachin, Henrico, Virginia, offered the following prayer:

Oh God our help in ages past, our hope for years to come, our shelter from the stormy blast, and our eternal home.

Behold Your children gathered in this place on this snowy morning. We thank You for showing us all travelling mercy today that has allowed us safe passage through the storms of this winter. We ask that You continue to show us mercy and grant us wisdom as we try to navigate the Commonwealth through these difficult times.

We pray for our President Barack, our Vice President Joseph, our Governor Robert, our Lt. Governor William, and our Attorney General Kenneth -- we ask that you keep them safe and stay in dialogue with them so that they might understand Your will.

We ask for Your grace, and Your peace as we continue on this legislative journey. As the legislative days grow longer and our tempers grow shorter, remind us now and again that we are all Your children and that when we look at each other we ought to see You.

We now ask for Your blessings on our Commonwealth, our Nation and indeed on all of Creation.

FRIDAY, FEBRUARY 12, 2010

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Sanford Reaves, Jr., Mount Zion Baptist Church, Locust Grove, Virginia, offered the following prayer:

Almighty God, we acknowledge that You are the Creator of all things. That it was You who awakened us this morning with the blood running warm through our veins. That it was You who tapped us with Your finger of love allowing us to rise to the beauty of another day. For that we say thank You.

We come now Father God petitioning the presence of the Holy Spirit that it will give this governing body, of this great state of the Commonwealth of Virginia, a complete understanding of what Your will is in their work and lives as leaders. Please make them wise with spiritual wisdom.

We know that anyone can be a good leader when times are good, but true leadership is revealed during challenging times like these we face today. Unemployment rising, homelessness rising, foreclosures rising, healthcare rising, fuel prices rising and out of business signs in windows rising but, we know that You are our refuge and stronghold in times of struggle. Oh God, as leaders we need You, especially during these trying times.

Father God You say that we have not because we ask not, therefore on this day we declare with our mouths that Your people will dwell safely in this land, and that we will once again prosper abundantly.

Before this session begins as we all sit in this room of comfort, Father God, let us not forget those less fortunate than we are especially those fighting to find hope in Haiti. Also, we ask Your blessings upon our troops all over the world as they stand for democracy for all.

So we ask You today Father God to hear our petition for this great state filled with the rich as well as the poor, the strong as well as the weak, the black as well as the white, that we will continue to be a blessing in the lives of others.

We know that our country, our nation, as well as our great state needs a healing so, we ask in these precious words You left for us in 2 Chronicles 7: That if my people, who are called by my name, shall humble themselves and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sins, and heal their land.

To God be the Glory for all the things he has done!

Amen.

God of Grace and God of Glory,

As this body begins its work today, we offer our gratitude for Your presence, here to meet us, here to bring counsel and comfort, here to awaken in us patience and faithfulness. For the gifts You have bestowed on the women and the men who stand before You now and for the blessings that daily greet us, given so abundantly, we pray with thanksgiving.

As we welcome You in our midst, we pray also that on this day You save us from weak resignation to the evils we deplore; we ask that You set our feet on lofty places, pledge to seek the common good and the welfare of this Commonwealth.

Grant wisdom and grant courage, for the facing of this hour; grant wisdom and grant courage in the exercise of the task to which we have been summoned on behalf of others. Grant wisdom and grant courage that we fail not them nor thee!

WEDNESDAY, FEBRUARY 17, 2010

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Jeffrey H. Raymond, First Baptist Church, Hopewell, Virginia, offered the following prayer:

Almighty God, as we pause on this Ash Wednesday, we are reminded of our frailty in the face of Your glory. And so we come seeking Your presence to guide our thoughts and to measure our words.

We thank You Father, for You have blessed the people of Virginia beyond measure with countless resources that surround us: from the fertile farmlands to the beauty of the Virginia coastline to the grandeur of the Blue Ridge Mountains ... from the abundance of the seafood industry to the lush woodlands that sustains our thriving lumber industry.

But even in the midst of abundance Lord, there is scarcity, for many must go without. And so in this Senate body, these men and women grapple with serious questions - like economic downturns and a budget shortfall. And these issues affect so much of life from education to transportation ... and it trickles down to every community and every individual.

So Lord, we ask for Your divine guidance; we ask that You would offer this esteemed body of men and women who have been set apart to govern - we ask that You would offer them an extra dose of wisdom and discernment. Lord, cast Your vision for this great Commonwealth of Virginia before these men and women, and may they catch hold of Your plan, as they work together for the good of the people of Virginia.

We humbly offer this prayer in the name of the One who loves us recklessly, who forgives us radically, and who is present with us always.

Amen.

The roll was called and the following Senators answered to their names:

Most gracious and eternal God our Father whom we love dearly. We thank You for this day of which You have blessed us to see. We realize that without You we can do nothing and without You we would fail. Therefore I ask that You will do for us what we cannot do for ourselves.

Father, we beseech You on behalf of these elected officials, who serve the Commonwealth of Virginia, The Governor, The Senators, The Congressmen, The Delegates, The Judges and those who assist in the administrative respective places, that You will give them the grace to consider the well being of all people that live in this Commonwealth.

Give us grace, Oh God, to dare to do the deed which we well know cries to be done. Let us not hesitate because of opposition or fear to disseminate what is fair and just.

We are glad to be called Thy children, and to dedicate our lives to the service that is extended through willing hearts and hands of these leaders for the betterment of all mankind.

Lord, grant us the strength, the courage, the faith and the humility for the tasks assigned to us. These blessings we ask in the precious name of our Lord and a Savior, Jesus Christ.

MONDAY, FEBRUARY 22, 2010

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Dr. Donald D. Binder, Pohick Episcopal Church, Lorton, Virginia, offered the following prayer:

Heavenly Father, we pause here at the start of this afternoon to give thanks for the many blessings You have bestowed upon our nation and our Commonwealth, and also to remember before You the birthday of the Father of our Country, Your servant, George Washington.

When first elected President of the United States, he inherited the leadership of a new nation deeply in debt, weary of warfare, and uncertain of its near future. Through the wisdom and grace You granted him, he was able to make sound yet courageous decisions to set our country on firm footing and begin down the pathway towards prosperity and increase.

Bestow these same mercies upon our Governor, Lt. Governor, and the Senators and Delegates of this General Assembly, that as they face similar challenges, they may be inspired by Washington's example and moved to great and noble deeds in their stewardship of our Commonwealth.

And to all Your people may You grant the patience and perseverance to meet the many challenges set before us, mindful not only of our own needs, but also those of our neighbor. For as our Founding Father exemplified, it is chiefly by giving that we receive, and by self-sacrifice that Your will may be done on earth as it is in heaven. Amen.

The roll was called and the following Senators answered to their names:

Barker, Blevins, Colgan, Deeds, Edwards, Hanger, Herring, Houck, Howell, Hurt, Locke, Lucas, Marsden, Marsh, McDougle, McEachin, McWaters, Miller, J.C., Miller, Y.B., Newman, Norment, Northam, Obenshain, Petersen, Puckett, Puller, Quayle, Reynolds, Ruff, Saslaw, Smith, Stosch, Stuart, Ticer, Vogel, Wagner, Wampler, Watkins, Whipple.

A quorum was present.

After the roll call, Senator Martin notified the Clerk of his presence.

On motion of Senator Hurt, the reading of the Journal was waived.

Almighty God and Creator of all things,

We pause in this moment to acknowledge and thank You for yet another day of life. This is the day You have made, we will rejoice and be glad in it. I pray that we would redeem this day to bring You the glory and honor You so truly deserve.

We are told to pray for our leaders and submit to their authority, so in this moment I lift these men and women up to You. You have promised to give us wisdom if we would simply ask for it; and so today I pray that they would be empowered by Your supernatural wisdom from on high. I ask that You would give them insight, knowledge, and discernment that will surpass even their own understanding.

May the results of their activities, decisions, and plans today honor You and impact the lives of the people in this state in such a way that they will be drawn to acknowledge You and live their lives in obedience to Your will.

We make this our prayer, in Your name — Amen.

B. Out of the amounts provided for in this Item, no expenditures shall be made to provide security devices such as magnetometers in standard use in major metropolitan airports. Personnel expenditures for operation of such equipment incidental to the duties of courtroom and courthouse security deputies may be authorized, provided that no additional expenditures for personnel shall be approved for the principal purpose of operating these devices.

C. Notwithstanding the provisions of § 53.1-120, or any other section of the Code of Virginia, unless a judge provides the sheriff with a written order stating that a substantial security risk exists in a particular case, no courtroom security deputies may be ordered for civil cases, not more than one deputy may be ordered for criminal cases in a district court, and not more than two deputies may be ordered for criminal cases in a circuit court. In complying with such orders for additional security, the sheriff may consider other deputies present in the courtroom as part of his security force.

D. Should the scheduled opening date of any facility be delayed for which funds are available in this Item, the Director, Department of Planning and Budget, may allot such funds as the Compensation Board may request to allow the employment of staff for training purposes not more than 45 days prior to the rescheduled opening date for the facility.

E. Consistent with the provisions of paragraph B of Item 424, the board shall allocate the additional jail deputies provided in this appropriation using a ratio of one jail deputy for every 3.0 beds of operational capacity. Operational capacity shall be determined by the Department of Corrections. No additional deputy sheriffs shall be provided from this appropriation to a local jail in which the present staffing exceeds this ratio unless the jail is overcrowded. Overcrowding for these purposes shall be defined as when the average annual daily population exceeds the operational capacity. In those jails experiencing overcrowding, the board may allocate one additional jail deputy for every five average annual daily prisoners above operational capacity. Should overcrowding be reduced or eliminated in any jail, the Compensation Board shall reallocate positions previously assigned due to overcrowding to other jails in the Commonwealth that are experiencing overcrowding.

F. Two-thirds of the salaries set by the Compensation Board of medical, treatment, and inmate classification positions approved by the Compensation Board for local correctional facilities shall be paid out of this appropriation.

G.1. Subject to appropriations by the General Assembly for this purpose, the Compensation Board shall provide for a Master Deputy pay grade to those sheriffs' offices which had certified, on or before January 1, 1997, having a career development plan for deputy sheriffs that meets the minimum criteria set forth by the Compensation Board for such plans. The Compensation Board shall allow for additional grade 9 positions, at a level not to exceed one grade 9 Master Deputy per every five Compensation Board grade 7 and 8 deputy positions in each sheriff's office.

2. Each sheriff who desires to participate in the Master Deputy Program who had not certified a career development plan on or before January 1, 1997, may elect to participate by certifying to the Compensation Board that the career development plan in effect in his office meets the minimum criteria for such plans as set by the Compensation Board. Such election shall be made by July 1 for an effective date of participation the following July 1.

3. Subject to appropriations by the General Assembly for this purpose, funding shall be provided by the Compensation Board for participation in the Master Deputy Program to sheriffs' offices electing participation after January 1, 1997, according to the date of receipt by the Compensation Board of the election by the sheriff.

4. Beginning on July 1, 2010, state support for the Master Deputy Program is suspended and state general fund appropriation supporting the Master Deputy Program is removed.

H. There is hereby reappropriated the unexpended balance in this Item on June 30, 2010, and June 30, 2011.

I. The Compensation Board shall estimate biannually the number of additional law enforcement deputies which will be needed in accordance with § 15.2-1609.1, Code of Virginia. Such estimate of the number of positions and related costs shall be included in the board's biennial budget request submission to the Governor and General Assembly. The allocation of such positions, established by the Governor and General Assembly in Item 424 of this act, shall be determined by the

Compensation Board on an annual basis. The annual allocation of these positions to local sheriffs' offices shall be based upon the most recent final population estimate for the locality that is available to the Compensation Board at the time when the agency's annual budget request is completed. The source of such population estimates shall be the Weldon Cooper Center for Public Service of the University of Virginia or the United States Bureau of the Census. For the first year of the biennium, the Compensation Board shall allocate positions based upon the most recent provisional population estimates available at the time the agency's annual budget is completed.

J. Any amount in the program Financial Assistance for Sheriffs' Offices and Regional Jails may be transferred between Items 417 and 418, as needed, to cover any deficits incurred in the programs Financial Assistance for Confinement of Inmates in Local and Regional Facilities, and Financial Assistance for Sheriffs' Offices and Regional Jails.

K.1. Subject to appropriations by the General Assembly for this purpose, the Compensation Board shall provide for a Sheriffs' Career Development Program.

2. Following receipt of a sheriff's certification that the minimum requirements of the Sheriffs' Career Development Program have been met, and provided that such certification is submitted by Sheriffs as part of their annual budget request to the Compensation Board, the board shall increase the annual salary shown in Paragraph A of this Item by the percentage shown below for a twelve-month period effective the following July 1:

a. 9.3 percent increase for all sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program, where such criteria include that a sheriff's office seeking accreditation has been assessed and will be considered for accreditation by the accrediting body no later than March 1, and have achieved accreditation by March 1 from the Virginia Law Enforcement Professional Standards Commission, or the Commission on Accreditation of Law Enforcement agencies, or the American Correctional Association, or,

b. For sheriffs that have not achieved one of the above accreditations:

1. 3.1 percent for all sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program; and

2. 3.1 percent additional increase for sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program and operate a jail; and

3. 3.1 percent additional increase for all sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program and provide primary law enforcement services in the county.

3. Beginning on July 1, 2010, state support for the Sheriffs' Career Development Program is suspended and state general fund appropriation supporting the Sheriffs' Career Development Program is removed.

L. Notwithstanding the provisions of Article 7, Chapter 15, Title 56, Code of Virginia, \$8,000,000 the first year and \$8,000,000 the second year from the Wireless E-911 Fund is included in this appropriation for local law enforcement dispatchers to offset dispatch center operations and related costs.

N. Notwithstanding § 15.2-1609.1, Code of Virginia, the Compensation Board shall fund local law enforcement deputies for any county without a police force at no more than one deputy for each 2,000 population. The Compensation Board is authorized to provide five law enforcement deputies for counties without a police force and a population less than 10,000.

O. Included in the appropriation for this Item is \$4,150,224 the first year and \$10,837,085 the second year from the Virginia Public Safety Fund to support local court security deputies.

Fund Sources: General	\$51,102,382	\$53,352,871

Authority: §§ 53.1-83.1, 53.1-84 and 53.1-85, Code of Virginia.

A. In the event the appropriation in this Item proves to be insufficient to fund all of its provisions, any amount remaining as of June 1, 2011, and June 1, 2012, may be reallocated among localities on a pro rata basis according to such deficiency.

B. For the purposes of this Item, the following definitions shall be applicable:

1. Effective sentence--a convicted offender’s sentence as rendered by the court less any portion of the sentence suspended by the court.
2. Local responsible inmate--(a) any person arrested on a state warrant and incarcerated in a local correctional facility, as defined by § 53.1-1, Code of Virginia, prior to trial; (b) any person convicted of a misdemeanor offense and sentenced to a term in a local correctional facility; or (c) any person convicted of a felony offense and given an effective sentence of (i) twelve months or less or (ii) less than one year.
3. State responsible inmate--any person convicted of one or more felony offenses and (a) the sum of consecutive effective sentences for felonies, committed on or after January 1, 1995, is (i) more than 12 months or (ii) one year or more, or (b) the sum of consecutive effective sentences for felonies, committed before January 1, 1995, is more than two years.

C. The individual or entity responsible for operating any facility which receives funds from this Item may, if requested by the Department of Corrections, enter into an agreement with the department to accept the transfer of convicted felons, from other local facilities or from facilities operated by the Department of Corrections. In entering into any such agreements, or in effecting the transfer of offenders, the Department of Corrections shall consider the security requirements of transferred offenders and the capability of the local facility to maintain such offenders. For purposes of calculating the amount due each locality, all funds earned by the locality as a result of an agreement with the Department of Corrections shall be included as receipts from these appropriations.

D. Out of this appropriation, an amount not to exceed \$377,010 the first year and \$377,010 the second year from the general fund, is designated to be held in reserve for unbudgeted medical expenses incurred by local correctional facilities in the care of state responsible felons.

E. The following amounts shall be paid out of this appropriation to compensate localities for the cost of maintaining prisoners in local correctional facilities, as defined by § 53.1-1, Code of Virginia, or if the prisoner is not housed in a local correctional facility, in an alternative to incarceration program operated by, or under the authority of, the sheriff or jail board:

1. For local responsible inmates--\$4 per inmate day, or, if the inmate is housed and maintained in a jail farm not under the control of the sheriff, the rate shall be \$18 per inmate day.
2. For state responsible inmates--\$12 per inmate day.

F. For the payment specified in paragraph E1 of this Item for prisoners in alternative punishment or alternative to incarceration programs:

1. Such payment is intended to be made for prisoners that would otherwise be housed in a local correctional facility. It is not intended for prisoners that would otherwise be sentenced to community service or placed on probation.

2. No such payment shall be made unless the program has been approved by the Department of Corrections or the Department of Criminal Justice Services. Alternative punishment or alternative to incarceration programs, however, may include supervised work experience, treatment, and electronic monitoring programs.

G.1. Except as provided for in paragraph G 2, and notwithstanding any other provisions of this Item, the Compensation Board shall provide payment to any locality with an average daily jail population of under ten in FY 1995 an inmate per diem rate of \$22 per day for local responsible inmates and \$28 per day for state responsible inmates held in these jails in lieu of personal service costs for corrections' officers.

2. Any locality covered by the provisions of this paragraph shall be exempt from the provisions thereof provided that the locally elected sheriff, with the assistance of the Compensation Board, enters into good faith negotiations to house his prisoners in an existing local or regional jail. In establishing the per diem rate and capital contribution, if any, to be charged to such locality by a local or regional jail, the Compensation Board and the local sheriff or regional jail authority shall consider the operating support and capital contribution made by the Commonwealth, as required by §§ 15.2-1613, 15.2-1615.1, 53.1-80, and 53.1-81, Code of Virginia. The Compensation Board shall report periodically to the Chairmen of the House Appropriations and Senate Finance Committees on the progress of these negotiations and may withhold the exemption granted by this paragraph if, in the board's opinion, the local sheriff fails to negotiate in good faith.

H.1. The Compensation Board shall recover the state-funded costs associated with housing federal inmates, District of Columbia inmates or contract inmates from other states. The Compensation Board shall determine, by individual jail, the amount to be recovered by the Commonwealth by multiplying the jail's current inmate days for this population by the proportion of the jail's per inmate day salary funds provided by the Commonwealth, as identified in the most recent Jail Cost Report prepared by the Compensation Board. Beginning July 1, 2009, the Compensation Board shall determine, by individual jail, the amount to be recovered by the Commonwealth by multiplying the jail's current inmate days for this population by the proportion of the jail's per inmate day operating costs provided by the Commonwealth, excluding payments otherwise provided for in this Item, as identified in the most recent Jail Cost Report prepared by the Compensation Board. If a jail is not included in the most recent Jail Cost Report, the Compensation Board shall use the statewide average of per inmate day salary funds provided by the Commonwealth.

2. The Compensation Board shall deduct the amount to be recovered by the Commonwealth from the facility's next quarterly per diem payment for state-responsible and local-responsible inmates. Should the next quarterly per diem payment owed the locality not be sufficient against which to net the total quarterly recovery amount, the locality shall remit the remaining amount not recovered to the Compensation Board.

3. Any local or regional jail which receives funding from the Compensation Board shall give priority to the housing of local-responsible, state-responsible, and state contract inmates, in that order, as provided in paragraph H1.

4. The Compensation Board shall not provide any inmate per diem payments to any local or regional jail which holds federal inmates in excess of the number of beds contracted for with the Department of Corrections, unless the Director, Department of Corrections, certifies to the Chairman of the Compensation Board that a) such contract beds are not required; b) the facility has operational capacity built under contract with the federal government; c) the facility has received a grant from the federal government for a portion of the capital costs; or d) the facility has applied to the Department of Corrections for participation in the contract bed program with a sufficient number of beds to meet the Department of Corrections' need or ability to fund contract beds at that facility in any given fiscal year.

5. Any sheriff or regional jail administrator who houses contract prisoners from other states, the District of Columbia, or the federal government for more than 48 hours, shall provide a monthly report to the Director, Department of Corrections, which shall include the classification of the level of security of each such contract inmate and the level of security of the housing unit in which such inmates are confined.

6. The Compensation Board shall apply the cost recovery methodology set out in paragraph H1 of this Item to any jail which holds inmates from another state on a contractual basis. However, recovery in such circumstances shall not be made for inmates held pending extradition to other states or pending transfer to the Virginia Department of Corrections.

7. The provisions of this paragraph shall not apply to any local or regional jail where the cumulative federal share of capital costs exceeds the Commonwealth's cumulative capital contribution.

I.1. Within the limits of funds appropriated in this Item, local and regional jails shall enter into agreements with the Director, Department of Corrections, to house state-responsible offenders and effect transfers of convicted state felons between and among local and regional jails.

2. Such agreements shall be entered into for a period of one year, subject to the limitations of available funding and shall be for offenders in work release or other reentry programs, with a minimum percentage of bed space guaranteed by the local or regional jail and shall take precedence over contracts for housing federal prisoners, within the limits of bed space availability as defined pursuant to standards of the Board of Corrections, except in any case where a federal agency has contributed a share of the capital cost of the facility in return for a guarantee of a proportional number of beds. Bed space pursuant to such agreements shall be determined by the Director, Department of Corrections, based upon state prisoner intake compliance, operational capacity of the jail, and current and projected prisoner population of the jail.

3. Pursuant to such jail contract bed agreements, the Compensation Board is authorized to provide payment to localities in an amount not to exceed \$8 per state felon day, which shall be in addition to any such amounts otherwise authorized by this act. Any such funds received by the localities as a result of this provision shall be used for the maintenance and operation of the local or regional facility.

J. Any amounts in the program Financial Assistance for Confinement of Inmates in Local and Regional Facilities, may be transferred between Items 417 and 418, as needed, to cover any deficits incurred in the programs Financial Assistance for Sheriffs' Offices and Regional Jails and Financial Assistance for Confinement of Inmates in Local and Regional Facilities.

K. Projected growth in per diem payments for the support of prisoners in local and regional jails shall be based on actual inmate population counts up through the first quarter of the affected fiscal year.

L. The Compensation Board shall provide an annual report on the number and diagnoses of inmates with mental illnesses in local and regional jails, the treatment services provided, and expenditures on jail mental health programs. The report shall be prepared in cooperation with the Virginia Sheriffs Association, the Virginia Association of Regional Jails, the Virginia Association of Community Services Boards, and the Department of Mental Health, Mental Retardation and Substance Abuse Services, and shall be coordinated with the data submissions required for the annual jail cost report. Copies of this report shall be provided by November 1 of each year to the Governor, Director, Department of Planning and Budget, and the Chairmen of the Senate Finance and House Appropriations Committees."

A.1. In determining the salary of any officer specified in Items 417, 419, 420, 421, 422, and 423 of this act, the Compensation Board shall use the greater of the most recent actual United States census count or the most recent provisional population estimate from the United States Bureau of the Census or the Weldon Cooper Center for Public Service of the University of Virginia available when fixing the officer's annual budget and shall adjust such population estimate, where applicable, for any annexation or consolidation order by a court when such order becomes effective. There shall be no reduction in salary by reason of a decline in population during the terms in which the incumbent remains in office.

2. In determining the salary of any officer specified in Items 417, 419, 420, 421, 422, and 423 of this act, nothing herein contained shall prevent the governing body of any county or city from supplementing the salary of such officer in such county or city for additional services not required by general law; provided, however, that any such supplemental salary shall be paid wholly by such county or city.

C.1. 2. Reimbursement by the Compensation Board for the use of personal vehicles in the discharge of official duties shall be at a rate equal to that established in § 4-5.04 f 2. of this act. All such requests for reimbursement shall be accompanied by a certification that a publicly owned or leased vehicle was unavailable for use.

D. The Compensation Board is directed to examine the current level of crowding of inmates in local jails among the several localities and to reallocate or reduce temporary positions among local jails as may be required, consistent with the provisions of this act.

E. Any new positions established in Item 424 of this act shall be allocated by the Compensation Board upon request of the constitutional officers in accordance with staffing standards and ranking methodologies approved by the Compensation Board to fulfill the requirements of any court order occurring from proceedings under § 15.2-1636.8, Code of Virginia, in accordance with the provisions of Item 417 of this act.

F. Any funds appropriated in this act for performance pay increases for designated deputies or employees of constitutional officers shall be allocated by the Compensation Board upon certification of the constitutional officer that the performance pay plan for that office meets the minimum standards for such plans as set by the Compensation Board. Nothing herein, and nothing in any performance pay plan set by the Compensation Board or adopted by a constitutional officer, shall change the status of employees or deputies of constitutional officers from employees at will or create a property or contractual right to employment. Such deputies and employees shall continue to be employees at will who serve at the pleasure of the constitutional officers.

G. The Compensation Board shall apply the current fiscal stress factor, as determined by the Commission on Local Government, to any general fund amounts approved by the Board for the purchase, lease or lease purchase of equipment for constitutional officers. In the case of equipment requests from regional jail superintendents and regional special prosecutors, the highest stress factor of a member jurisdiction will be used.

H. The Compensation Board shall not approve or commit additional funds for the operational cost, including salaries, for any local or regional jail construction, renovation, or expansion project which was not approved for reimbursement by the State Board of Corrections prior to January 1, 1996, unless: (1) the Secretary of Public Safety certifies that such additional funding results in an actual cost savings to the Commonwealth or (2) an exception has been granted as provided for in Item 377 of this act.

I. Out of this appropriation \$118,110 the first year and \$118,110 the second year from the general fund is designated for executive management, lawful employment practices, and new deputy and jail management training for constitutional officers, their employees, and regional jail superintendents.

J. Each local or regional jail that receives funding from the Compensation Board shall use the Virginia Crime Codes (VCC) in identifying and describing offenses for persons arrested and/or detained in local and regional jails in Virginia.

K.1. The Compensation Board shall provide the Chairmen of the Senate Finance and House Appropriations Committees and the Secretaries of Finance and Administration with an annual report, on December 1 of each year, of jail revenues and expenditures for all local and regional jails and jail farms which receive funds from the Compensation Board. Information provided to the Compensation Board is to include an audited statement of revenues and expenses for inmate canteen accounts, telephone commission funds, inmate medical co-payment funds, any other fees collected from inmates and investment/interest monies for inclusion in the report.

2. Local and regional jails and jail farms and local governments receiving funds from the Compensation Board shall, as a condition of receiving such funds, provide such information as may be required by the Compensation Board, necessary to prepare the annual jail cost report.

3. If any sheriff, superintendent, county administrator, or city manager fails to send such information within five working days after the information should be forwarded, the Chairman of the Compensation Board shall notify the sheriff, superintendent, county administrator or city manager of such failure. If the information is not provided within ten working days from that date, then the chairman shall cause the information to be prepared from the books of the city, county, or regional jail and shall certify the cost thereof to the State Comptroller. The Comptroller shall issue his warrant on the state treasury for that amount, deducting the same from any funds that may be due the sheriff or regional jail from the Commonwealth.

L. In the event of the transition of a city to town status pursuant to the provisions of Chapter 41 (§ 15.2-4100 et seq.) of Title 15.2, Code of Virginia, subsequent to July 1, 1999, the Compensation Board shall provide funding from Items 417, 420, 421, 422, and 423 of this act, consistent with the requirements of § 15.2-1302, Code of Virginia. Notwithstanding the provisions of paragraph F of this Item, any positions in the constitutional offices of the former city which are available for reallocation as a result of the transition shall be first reallocated in accordance with Compensation Board staffing standards to the constitutional officers in the county in which the town is situated, without regard to the Compensation Board's priority of need ranking for reallocated positions. The salary and fringe benefit costs for these positions shall be deducted from any amounts due the county, as provided in § 15.2-1302, Code of Virginia.

M. Notwithstanding any other provisions of § 15.2-1605, Code of Virginia, the Compensation Board shall provide no reimbursement for accumulated vacation time for employees of Constitutional Officers.

N. The Compensation Board is hereby authorized to deduct, from the first reimbursements made each year to localities out of the amounts in Items 417, 419, 420, 421, 422, and 423 of this act, an amount equal to each locality's share of the insurance premium paid by the Compensation Board on behalf of the constitutional offices, directors of finance, and regional jails.

O. Effective July 1, 2007, the Compensation Board is authorized to withhold reimbursements due the locality for sheriff and jail expenses upon notification from the Superintendent of State Police that there is reason to believe that crime data reported by a locality to the Department of State Police in accordance with § 52-28, Code of Virginia, is missing, incomplete or incorrect. Upon subsequent notification by the Superintendent that the data is accurate, the Compensation Board shall make reimbursement of withheld funding due the locality when such corrections are made within the same fiscal year that funds have been withheld.

P. Included in this appropriation is \$993,274 the first year and \$993,274 the second year from the general fund for the Compensation Board to contract for services to be provided by the Virginia Center for Policing Innovation to implement and maintain the interface between all local and regional jails in the Commonwealth and the Statewide Automated Victim Notification (SAVIN) system, to provide for SAVIN program coordination, and the Virginia Sex Offender Registry.

Q. Notwithstanding the provisions of § 51.1-1403 A, Code of Virginia, the Compensation Board is hereby authorized to deduct, from the first reimbursements made each year to localities out of the amounts in Items 417, 419, 420, 421, 422, and 423 of this act, an amount equal to each locality's retiree health premium paid by the Compensation Board on behalf of the constitutional offices, directors of finance, and regional jails.

R. Notwithstanding any other provision of law to the contrary, beginning July 1, 2010, the state support in Items 417, 419, 420, 421, 422, and 423 for group life insurance and retirement costs is eliminated and state general fund appropriation is removed."

 "g. 1) An education technology grant program shall be conducted through the Virginia Public School Authority, through the issuance of equipment notes in an amount estimated at \$57,610,000 in fiscal year 2011 and \$57,792,000 in fiscal year 2012. Proceeds of the notes will be used to establish a

computer-based instructional and testing system for the Standards of Learning (SOL) and to develop the capability for high speed Internet connectivity at high schools followed by middle schools followed by elementary schools. By fiscal year 2011, high schools within the division shall administer 100 percent of SOL tests online; by fiscal year 2012, middle and high schools shall administer 100 percent of SOL tests online; and by fiscal year 2013, elementary, middle, and high schools shall administer 100 percent of SOL tests online. School divisions shall use these funds first to develop and maintain the capability to support the administration of online SOL testing for all students with the exception of students with a documented need for a paper SOL test.

2) The Board of Education shall authorize amounts estimated at \$10,704,564 the second year from the Literary Fund to provide debt service payments for the education technology grant program conducted through the Virginia Public School Authority in fiscal year 2011.

3) It is the intent of the General Assembly to authorize sufficient Literary Fund revenues to pay debt service on the Virginia Public School Authority bonds or notes authorized for education technology grant programs in fiscal year 2011 and in fiscal year 2012. In developing the proposed 2012-14, 2014-2016, and 2016-2018 biennial budgets for public education, the Board of Education shall include a recommendation to the Governor to authorize sufficient Literary Fund revenues to make debt service payments for these programs in fiscal years 2013, 2014, 2015, 2016, 2017, and 2018.

4) Grant funds from the issuance of \$57,610,000 in fiscal year 2011 and \$57,792,000 in fiscal year 2012 in equipment notes are based on a grant of \$26,000 per school and \$50,000 per school division. For purposes of this grant program, eligible schools shall include schools that are subject to state accreditation and reporting membership in grades K through 12 as of September 30, 2010, for the fiscal year 2011 issuance, and September 30, 2011, for the fiscal year 2012 issuance, as well as regional vocational centers, special education centers, alternative education centers, regular school year Governor's Schools, and the School for the Deaf and the Blind. Schools that serve only pre-kindergarten students shall not be eligible for this grant.

5) Supplemental grants shall be allocated to eligible divisions to support schools that are not fully accredited in accordance with this paragraph. Schools that administer SOL tests in Spring 2010 and that are not fully accredited based on school accreditation ratings in effect for fiscal year 2011 will qualify for a supplemental grant of \$26,000 per school in fiscal years 2011, 2012, and 2013. Schools that administer SOL tests in Spring 2011 and that are not fully accredited based on school accreditation ratings in effect for fiscal year 2012 will qualify for a supplemental grant of \$26,000 per school in fiscal years 2012, 2013, and 2014. Schools eligible to receive these three-year supplemental grants shall only receive them one time.

6) Required local match:

a) Localities are required to provide a match for these funds equal to 20 percent of the grant amount, including the supplemental grants provided pursuant to paragraph g. 5). At least 25 percent of the local match shall be used for teacher training in the use of instructional technology. The Superintendent of Public Instruction is authorized to reduce the required local match for school divisions with a composite index of local ability-to-pay below 0.2000. The School for the Deaf and the Blind is exempt from the match requirement.

b) School divisions that administer 100 percent of SOL tests online in all elementary, middle, and high schools may use up to 75 percent of their required local match to purchase targeted technology-based interventions. Such interventions may include the necessary technology and software to support online learning, technology-based content systems, content management systems, technology equipment systems, information and data management systems, and other appropriate technologies that support the individual needs of learners. School divisions that receive supplemental grants of \$26,000 per school pursuant to paragraph g. 5) and where 100 percent of SOL tests are administered online in the schools receiving the supplemental grants shall give first priority to purchasing these technology-based interventions as well as teacher training in the use of the interventions from their required local match.

7) The goal of the education technology grant program is to improve the instructional, remedial, and testing capabilities of the Standards of Learning for local school divisions and to increase the number of schools achieving full accreditation.

8) Funds shall be used in the following manner:

a) Each division shall use funds to reach a goal, in each high school, of: (1) a 5-to-1 student to computer ratio; (2) an Internet-ready local area network (LAN) capability; and (3) high speed access to the Internet. School connectivity (computers, LANs and network access) shall include sufficient download/upload capability to ensure that each student will have adequate access to Internet-based instructional, remedial and assessment programs.

b) When each high school in a division meets the goals established in paragraph a) above, the remaining funds shall be used to develop similar capability in first the middle schools and then the elementary schools.

c) School divisions shall be eligible to apply for and receive supplemental grants of \$26,000 per qualifying school pursuant to paragraph g. 5). These supplemental grants shall be used first for the purpose of developing and maintaining capacity to support 100 percent online SOL testing of all students in qualifying schools and helping the schools achieve full accreditation with the assistance of targeted technology-based interventions. Any purchase of technology-based interventions as described in paragraph g. 6) b) with supplemental grant funds must be qualifying expenses under the technology notes program. Eligibility for these funds requires divisions to submit an application and plan that includes goals, objectives, strategies, and a timeline for implementation. Division plans will be reviewed and approved by the Superintendent of Public Instruction prior to disbursement of the supplemental grant funds.

d) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school divisions became one school division, whether by consolidation of only the school divisions or by consolidation of the local governments, such resulting division shall be provided funding through this program on the basis of having the same number of school divisions as existed prior to September 30, 2000.

9) Local school divisions shall maximize the use of available federal funds, including E-Rate Funds, and to the extent possible, use such funds to supplement the program and meet the goals of this program.”.

Absent compelling reasons to the contrary, the Virginia Parole Board shall grant a petition for geriatric release filed in accordance with Section 53.1-40.01 of the *Code of Virginia*, and shall grant discretionary parole to any inmate eligible therefore, with respect to any inmate who is terminally ill or permanently and totally disabled.

2. Compelling reasons may include reliance on any evidence-based risk assessment tool developed by the Virginia Criminal Sentencing Commission for consideration of candidates for parole or geriatric release that is consistent with best practices.

3. Any decision to deny geriatric release or discretionary parole in the foregoing cases shall be accompanied by fact-specific individualized reasons for such denial, which weighs any material post-sentencing factors against the nature and circumstances of the offense. Nothing in this provision is intended to deprive any other inmate of the right established in Title 53.1 to fair and meaningful consideration for parole and geriatric release.

4. For purposes of this provision, “permanently and totally disabled” means unable to engage in any substantial gainful activity by reason of any medically determinable physical impairment or deformity that can be expected to result in death or can be expected to last for the duration of such person’s life, and “terminally ill” means having an illness or sickness where the medical prognosis is the person’s death within six months or less. The burden of demonstrating that an inmate is permanently and totally disabled or terminally ill shall be on the inmate and may not be satisfied without competent medical evidence.”

A. The purpose of this Item is to capture savings in state aid to local government programs in a manner that provides localities flexibility in how such savings are implemented. This reversion is necessary as a result of the downward adjustment in general fund revenues caused by the slowing of the Virginia economy.

B. Within 30 days after enactment of this act, the Director of the Department of Planning and Budget, shall provide the chief operating officer of each city and county in the Commonwealth a list of certain state aid to local government programs along with an estimate of the general fund amount for each program that each county and city could expect to receive from the state during each year of the biennium. The total amount listed for these programs will serve as the basis for calculating the savings apportioned to each city and county for this item. The savings apportionment will be equal to the percentage of the aggregate general fund amount for all of these state aid programs in each city and county totaling \$50,000,000 the first year.

C. Each city and county in the Commonwealth shall have flexibility in determining how it will implement the savings apportioned to it. Each city or county can choose to (1) take the total savings out of one program included on the list provided by the Department of Planning and Budget, (2) reduce multiple state aid programs on a proportional basis or by a specified percentage reduction, or (3) reimburse the Commonwealth in aggregate for their share of the savings, thereby keeping the state aid programs at an unreduced level. Each locality may also use number 3 above in combination with 1 or 2. The governing body of each city or county shall make its selection and certify its choice to the Director, Department of Planning and Budget, by August 30, 2010. Within 10 days of receipt, the Director, Department of Planning and Budget, shall review such certification for accuracy to ascertain that the required savings apportioned to the city or county are obtainable using the selection(s) submitted on the certification. Unless, the Director, Department of Planning and Budget, finds a certification to include savings that are not obtainable or sustainable, the certification shall be approved and implemented without further delay. In the event that a city or county has not submitted or obtained an approved certification by October 1, 2010, the Director, Department of Planning and Budget, is hereby authorized to withhold an amount equivalent to the savings apportioned to the affected city or county from the aid to local government programs that the Director determines are most discretionary and represent general purpose aid to the local government in question before he begins to withhold any funds from categorical grants serving a particular functional area or public service. The Director, Department of Planning and Budget, shall notify the affected locality of his decision in this regard and such decision shall remain in force unless it is superseded by the subsequent approval of a certification for the affected city or county after October 1, 2010.

D. The savings in state aid to local government programs identified by each city or county on their approved certification (or by the Director, Department of Planning and Budget, in absence of an approved certification) shall be transferred from the other items where such amounts are appropriated in this act to offset the reversion amount listed in this item. Payments from local governments electing to use option (3) above in paragraph C shall be deposited to a suspense account which shall be administered pursuant to § 3-1.03 of this act.”

For purposes of Virginia’s retail sales and use taxes (§ 58.1-600 et seq. of the Code of Virginia), a dealer as defined or described under § 58.1-612 of the Code of Virginia shall be presumed to be soliciting or transacting business by an independent contractor, agent, or other representative, if the dealer enters into an agreement with a resident of the Commonwealth under which the resident, for a commission or other consideration, directly or indirectly refers potential customers, whether by a link on an Internet site or otherwise, to the dealer if the cumulative gross receipts from sales by the dealer to purchasers in the Commonwealth who are referred to the dealer by all residents with this type of agreement with the dealer are in excess of \$10,000 during the preceding four quarterly periods. The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend James J. Begley, Jr., Church of the Redeemer, Mechanicsville, Virginia, offered the following prayer:

Blessed are You, God, of mercy, we gather here together as members of many different faiths and many different backgrounds, and many different cultures. Yet, we come together in prayer as Your faithful children. Today, we acknowledge that our unity in faith needs to be nourished and deepened in Your presence.

We gather here this day to follow Your example to love and forgive, and be a faithful example to one another. To be citizens of a great state that looks after those in need. Help us now to see the generations of men and women and children for whom our deliberations and new laws this day will effect. Help us to see all Your children as equal and deserving of our hard work.

Send down Your blessing this day upon these Your servants who so generously devote themselves to the needs of others.

Let us pray for God's blessings on the members of this Senate. Through our prayers and our work together may we be united as Virginians.

We ask this in God's name, Amen.

The Auditor of Public Accounts shall compute the ~~ten~~ fifteen percent limitation of such fund annually and report to the General Assembly not later than the first day of December. "Certified tax revenues" means the Commonwealth's annual tax revenues derived from taxes on income and retail sales as certified by the Auditor of Public Accounts.

The General Assembly shall make deposits to the Fund to equal at least fifty percent of the product of the certified tax revenues collected in the most recently ended fiscal year times the difference between the annual percentage increase in the certified tax revenues collected for the most recently ended fiscal year and the average annual percentage increase in the certified tax revenues collected in the six fiscal years immediately preceding the most recently ended fiscal year. However, growth in certified tax revenues, which is the result of either increases in tax rates on income or retail sales or the repeal of exemptions therefrom, may be excluded, in whole or in part, from the computation immediately preceding for a period of time not to exceed six calendar years from the calendar year in which such tax rate increase or exemption

However, no transfer shall be made unless the general fund revenues appropriated exceed such revised general fund revenue forecast by more than two percent of certified tax revenues collected in the most recently ended fiscal year. Furthermore, no appropriation or transfer from such fund in any fiscal year shall exceed more than one-half of the balance of the Revenue Stabilization Fund. The Reverend Dr. Brenda Halbrooks, Three Chopt Presbyterian Church, Richmond, Virginia, offered the following prayer:

Holy God, Creator of the World, Giver of Grace, Forgiveness and Mercy, Sustainer of All Life,

We give You thanks. We give You thanks for this beautiful state of Virginia, one tiny part of the world You have made. We are grateful for the Eastern Shore, the Northern Neck, the western mountains and rolling hills; the rivers and streams and lakes and beaches. You have entrusted us with this portion of Your vast creation.

We give You thanks. We give You thanks for those who are gathered here today who have followed the call to devote themselves to public service, who have taken on the responsibility of making difficult decisions and painful choices, who proudly represent segments of this state and who carry out the many and varied duties of their positions in this Virginia Assembly.

We ask Your blessing. Bless those who hold office here in the state of Virginia, that they may do their work in a spirit of wisdom, kindness and justice. Help them to use their authority to serve faithfully and to promote the general welfare; may they have patience when passionate constituents make their opinions known; may they remain calm and level headed when discussions become heated; help them remember that it is in the hard times that the real nature of a leader emerges; help them to rise to the occasion of being leaders in the midst of the challenges of our current economy.

Bless those who provide support for those who serve in elected office; give them patience and diligence and the knowledge that their work is essential.

We pray for all who suffer in our state; for those seeking employment, for those in poverty, for those living with disabilities and their caregivers, for children, youth, young adults, and the elderly.

Help each of us to serve the common good using our resources and sphere of influence; and help us to do together what we cannot do alone to affect positive change.

Gracious God, help each of us live with integrity within our own faith traditions; help us relate to one another with the highest respect, the utmost compassion, and the spirit of grace, in the name of the one who is goodness and love, foundation of the universe, source of all existence, we pray, Amen.

TUESDAY, MARCH 2, 2010

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

Dr. Fillmer Hevener, Guthrie Memorial Chapel, Farmville, Virginia, offered the following prayer:

Our eternal Creator and our God,

We, Your children, come into Your divine presence this spring March day, in the quietness of this chamber, asking that You create within us clean hearts and pure minds and that You cleanse us from all unrighteousness, including that human tendency to put self before the larger good.

May we not allow the noises of the earthly realm to drown that still small voice from the heavenly sphere.

As the hart pants after the waterbrook, even so we pant after Your infinite wisdom. Show us the foolishness of attempting to lead others without the benefit of Your prudence and Your purity shepherding us. Help us to discern between the good and the evil, and always to choose the good.

Thank You for the miracles of life and grace. Defend our liberties, created by You, and championed by Virginia's forefathers.

May we be as faithful in seeking You as are the wavelets lapping the hallowed banks of the James, those banks on which was founded the mother of our state and our nation.

We humbly seek Your face, our bright and morning star; shine upon our pathway leading to our celestial home of eternal life and peace.

Amen.

The roll was called and the following Senators answered to their names:
